B. Academic Senate report

C. SLO Assessments Report

PSCI 040 discontinued so deleted from list of past due

When following up SLOs that are past due, make sure to check if that course was even offered—if not, ask to assess next time the course is offered

To see ones due for Spring 2016, go to the Master Schedule and sort by Division, then under Sp16 choose “planned”

Note the official report of SLO results is due the fourth week of Fa16, but encouraged departments to submit results by one week after finals

D. Program Review report

Suggested that we put out an email "press release" that eLumen is coming soon for SLO/PR in Fa16 and Sp17

- o Those assessing SLOs in Sp16 would still use current system of submitting SLOs via email
- o Those assessing SLOs in Fa16 and Sp17 will use eLumen
- o Social Science would like to continue to submit their SLO results via their current method for the Fa'16-Sp'17 school year (instead of using eLumen to submit the SLO results)
- o Nothing was officially decided at the 5/17/16 meeting, but the request was heard
- o For now using SLOsubmit is fine, but when eLumen is fully up and running for the entire campus, this request will need to be revisited

An email reminder that Program Review is due November 4 should be sent out to the whole campus
