

- A. Betsy informed the committee that she is stepping down as co-chairperson next Fall 2022. If there is anyone interested in co-chairing with Alyson, please let them know. (Reassigned time is .15 for Fall 2022) Any questions see Betsy and Alyson.
  
- A. Academic Senate report – Chris gave a presentation to the Academic Senate regarding new ADT/GE requirements. We are moving to an electronic catalog so its important data in catalog is updated on webpages.
- B. SLO Assessments report – Betsy will be updating master spreadsheet in a couple weeks after school starts.
- C. Program Review report –see VIII. Old Business for update.
- D. Strategic Planning Committee report – none
- E. BRAC report – Continue to discuss the rubric and how the prioritization would be done. A major topic is how do you decide if one program gets pushed up on priority list compared to other programs? BRAC and divisions will start prioritization in February.
- F. Accreditation and Institutional Effectiveness Committee report – per Betsy, will start up in Spring 2022.
- G. Guided Pathways report –A presentation was given at last Friday Forum. Chris Cruz is working on program mapping and incorporating local AA/AS degrees. Also, Whitney Clay and Michelle Francis are starting to promote career exploration for students.
- H. Other – Angelica asked Chris about breakdown of number of face-to-face classes compared to Online. Right now, it's about a 50% split. For Fall 22, the expectation is more in person instruction. Enrollment is down and it is difficult to plan too far in advance. Also looking at trends.
  
- A. 2020
